Unit Retirement Notification

Dear Katrin Tremmel,

This email is to acknowledge that on 18 Mar 2019 8:17:30 PM, zukunftswerk eG retired 30 Gold Standard Voluntary Emissions Reductions (VER) credits.

The VER credits were issued by The Gold Standard Foundation following a rigorous carbon offset project registration process. The robust monitoring, reporting and verification process ensures the originating offset project delivers real, permanent and additional emission reductions whilst positively contributing to local and global sustainable development. The issuance and ownership of these Gold Standard VER credits have been tracked in The Gold Standard Environmental Registry using unique serial numbers to prevent double counting or double selling. These VER credits have been retired from the registry PERMANENTLY, no one else can hold or retire these credits. Details about the VER credits are listed below.
